Columbus, OH – Creative Living, a Columbus-based non-profit that provides affordable, independent living for adults with severe physical disabilities, recently named local human resource executive Rebecca Mohiuddin to its 13-person Board of Trustees. Mohiuddin, who currently serves as the Chief Human Resource Officer for Central Ohio Primary Care (COPC), brings her nearly 25 years of experience in staffing and HR to the board appointment.

“We are so pleased to have Rebecca join our board and provide a new perspective in HR and other organizational matters,” said Creative Living Executive Director Bob Overs. “She is both highly-regarded in her industry and a true team player. We know she will add depth and continued credibility to our organization moving forward.”

Prior to joining COPC in 2019, Mohiuddin spent nine years in various HR leadership roles at Molina Healthcare, as well as managerial roles with multiple other organizations throughout the Columbus area. She is a graduate of Mount Vernon Nazarene University and is a Certified Senior Professional in Human Resources (SPHR) and Certified Senior Human Resources Management Senior Certified Professional (SHRM-SCP). Mohiuddin lives in Powell with her family.
